

How did you get here?  
Were you created?  
Or did you evolve?

A lecture and discussion by **Professor Julian Kenny** on natural selection and why the creationist perspective is wrong ...

**Wednesday, 18th January 2006, 5:00 pm**  
**Audio-Visual Room, National Library, Port of Spain**

... the Humanist Forum is a series of lectures and discussions hosted by the **Trinidad and Tobago Humanist Association**
